

Service
for your
Service

Your slogan for service must be speed-with-efficiency and to carry it out, you will need B & D Portable Electric Tools. Do you remember the B & D Vitrifier? It saved hours of time on pre-war polishing, and will be ready to give that extra polish in the busy days to come. ● For your future service and production, B & D Tools will be at your service — plan now, to use them for “to-morrow.”

Quicker and better with **Black & Decker**
